Upper Components ***Technical textile water repellent upper – 1.6-1.8 mm thick***
Quarter Lining – Warp knitted fabric
Vamp lining- Foam Padded textile
Tounge – High density foam sandwiched between Warp Knitted Fabric

Insocks

Memory comfort Insocks: It is PU Insock that forms contours according to the shape of the feet that helps in nice distribution of body weight across the feet. The foam gives a permanent sense of comfort upon stepping and reduces the fatigue considerably.

Sole

Thermo Foaming Polymer(TFP) in the Mid Sole & Outsole

Toe Cap

Powder coated metal toe cap

USP

***Textile material is always comfortable to wear
The outsole polymer is designed for anti abrasive properties
The midsole polymer is high rebound to avoid fatigue
The water repellent properties of this shoe protects the upper of the shoe from getting wet
Vibrant and Smart colour options***
